Warranties

10-year Carpet Wear Warranty
Lifetime Antishock Carpet Warranty

Ideal for Heavy Commercial Use.

The subfloor should be dry, smooth, flat, dust-free and resistant to compression and load bearing. The seams may remain visible to the eye and this should be accepted as an inherent characteristic of carpet tiles. Due to dyelot variations, actual material may vary slightly from the samples. Chair pads are recommended to prevent premature wear of carpet.
